I have recommended this program to many and I will continue to do so! I have had many doubt it, but that is 100% their loss. It WORKS and it worked for me. Why anyone would not want to pay their mortgage faster and save tens of thousands of dollars is beyond me! Let EarnUp handle making your payments. The small little fee you pay them is nothing compared to what you will save.

I have used this service for 12 years and highly recommend it. I am paying my mortgage off 3 years ahead of schedule and saved over \$25,000 in interest. I recently spoke with Rachelle to notify Earn Up of upcoming payoff, and see what I needed to do to stop auto withdrawal. She is extremely knowledgeable, friendly and told me what was needed from me. She took care of canceling auto withdraw. She is an incredible asset to this company.
